

This aerial map shows a waterway junction. A road labeled 'Hortemansdijk' crosses a canal. To the left of the junction, there is a building with a roof number '8'. To the right, a road labeled 'Nieuwenbroeksedijk' is highlighted in orange. Several traffic signs are overlaid on the map: a red circle with a white '30' and a red triangle with a black arrow pointing right, located on the road to the left of the junction; a red circle with a white '30' and a red triangle with a black arrow pointing left, located on the road to the right of the junction; and a red circle with a white '30' and a red triangle with a black arrow pointing left, located on the road to the right of the junction. A red and white striped barrier is also shown on the right side of the junction.

Gemeente  Bodegraven-Reeuwijk
